

It's been hours,  
this is the last dumpster,  
and no luck

Remind me what exactly  
we're looking for again?

Anything suspicious?

The only suspicious thing  
is that cucumber!

All the unshredded paper has nothing of value on it,  
and anything of potential value has been shredded  
into a million pieces

They passed the vulnerability assessment, right?  
So can we go home now?

Not yet.

What? Why?

Aren't you at least  
a little bit curious?

As to what's so important  
that they had to shred it?

**NOPE.**

Not at all.  
Not my job.

They passed  
We go home  
The end

Awwwwww  
But that's part of the fun.  
And fun is why you haven't  
been turned in yet.

Now grab a bag  
and let's go

Uggghhhh

Now you're bringing  
trash back to the dems?

Awww don't be so  
harsh on yourself.  
You're not trash.  
You're just a fixer upper~

Fuck you.

To be continued...
